JIMMY DANIELS
KENT CUSTOM HOMES

Jimmy,

I just wanted to send you a note to let you know how much we appreciate you and Kent for the wonderful home you built for us. You were so professional and patient every step of the way. You included us in EVERY decision to insure our home was exactly what we wanted and were very helpful in guiding us in the areas we were not as knowledgeable in. You made the entire process an enjoyable one. It was nice to watch as things were completed on time and as expected. The contractors you used were all well-known, established businesses that did excellent work and were very accessible for those minor touch-ups before and after the closing.

Thank you so much! If ever you need a recommendation, please don't hesitate to ask or use this note. We would highly recommend Kent Custom Homes.

Sincerely,

Patty Parker
